Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the A Street Basin Wastewater Capacity Improvement project in fiscal year 2025. The entity to receive funding for this project is the City of Port Angeles, located at 321 East 5th Street, Port Angeles, WA 98362. This funding will support the construction of over 5,000 feet of sanitary sewer pipe to facilitate the construction of new low-income and workforce housing in Port Angeles, WA. This project is an appropriate use of taxpayer funds because it supports affordable housing development in a rural community experiencing a housing shortage crisis for local families and workers.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Derek Kilmer  
Member of Congress
