The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Early Childhood and Family Support in Grays Harbor County in fiscal year 2023.

The entity to receive funding for this project is Save the Children Federation, Inc., located at 501 Kings Highway East, Suite 400, Fairfield, CT 06825.

The funding would support Save the Children's efforts to accelerate academic achievement among the most marginalized children in rural Washington communities through early childhood home visiting programs, parent engagement workshops that honor traditional community knowledge and values, home library builds to help build a culture of literacy, and mobile outreach providing nutritious meals to families in need.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Derek Kilmer
Member of Congress
