The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Port Hadlock Sewer Project in fiscal year 2023.

The entity to receive funding for this project is Jefferson County, located at 1820 Jefferson Street, Port Townsend, WA 98368.

The funding will bring sewer service to Port Hadlock, the County's only unincorporated Urban Growth Area, and will provide the necessary infrastructure for the region's planned affordable housing projects, current commercial facilities, and public institutions, as well as improve water quality in nearby Chimacum Creek and Port Townsend Bay with impacts to shellfish harvest on the beach.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Derek Kilmer
Member of Congress
