The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Belfair Electrical Capacity Infrastructure Project in fiscal year 2023.

The entity to receive funding for this project is Mason County Public Utility District No. 3, located at 2621 E Johns Prairie Rd., Shelton, WA 98584.

The funding will be used to improve the electrical grid infrastructure at the Belfair substation as well as add access to existing capacity for the northern part of the service territory. The grid's increased resiliency and ability to serve a new load will address a significant need for disaster resiliency and economic growth in the economically distressed area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---

Derek Kilmer  
Member of Congress
