The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for The Clallam County and City of Port Angeles Joint Emergency Services and Public Safety Facility (JPSF) in fiscal year 2023.

The entity to receive funding for this project is Clallam County of Washington State, located at 223 East 4th St., Port Angeles, WA 98362.

The funding would support the build out of a resilient, co-located Emergency Operations Center and Public Safety Radio Communications and Public Safety Answering Point to service four tribal governments, three city municipalities, an international airport, a state prison, and National Park.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---

Derek Kilmer  
Member of Congress
