The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Westport Marina Modernization Project in fiscal year 2023.

The entity to receive funding for this project is the Port of Grays Harbor, located at 111 S. Wooding Street, Aberdeen, WA 98520.

The funding will support the Port of Grays Harbor's Phase 1 improvements, including final design, permitting, and bid ready status, for the modernization and reconfiguration of Marina's floating docks so it can adequately support the needs of the region's robust fishing fleet.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Derek Kilmer
Member of Congress
